MCHS Academic Boosters Club  
 Meeting Minutes  
 February 1, 2019  
 11:30 AM  
 MCHS Rm 56

Board members present: Jill Harry (chair/secretary); Ruth Smiley (vice chair), Amy Schneck-enburger, Dave James, Tara Schiff

Board members absent: Leigh Westerlund (treasurer), Naoko Kada

Public: Kathleen Leonard, Lordelyn del Rosario, Karen Amstutz

I. Call to order

The chair called the meeting to order at 11:30 AM.

II. Approval of minutes from January 11 meeting

Dave moved to approve the minutes. Ruth seconded. All in favor. Motion carried.

III. Business and Finance

A. 2018-2019 Budget Overview

\$500 was added to the letter writing campaign income and \$360 was added to the teacher request expense line item. More will change next month when we have the final expenses and income from the dance party fundraiser.

IV. Fundraising

A. Dance Party fundraiser [moved to end]

B. Find Your Z committee update

Ruth has emailed Cody Wichmann but has not heard back yet. She will try again after the Superbowl. Based on discussion with Tara, she will let him know that Supervisor Kevin Cann would be happy to mentor him re public speaking at an event like this. If Cody is a “no,” the committee will move on to line up other speakers for this event happening a year from now.

V. Programs

A. Career Lunches

i. Feb 14, Klaus Tanenbergen, Columbia College Dean

Tara said the speaker will not be Klaus, but another dean from Columbia College. She will advertise it as such. Kathleen confirmed that Feb 14 (Valentine’s Day) is perfectly fine for this Career Lunch.

ii. Schedule of speakers

The schedule of speakers is set for the rest of the school year.

B. Community Connections update

Kathleen reported that so far, two students have returned permission slips to participate in this program. They are in the process of being paired with mentors. Rather than ABC giving MCHS money to give to mentors, mentors would like to pay for outings and give ABC receipts for Reimbursement at the end of the school year. This is fine. If paying in advance ever becomes an issue for a mentor, ABC can set up accounts with a few local restaurants so mentors can take mentees without having to pay.

C. Aramark/YPHS/MCHS field trip Jan 29 results and future opps

Twenty-nine students attended, six more would have liked to but couldn’t make it. Kathleen reported that it was a worthwhile event and Aramark did a great job of finding speakers representing a variety of career opportunities. Next, Aramark will take part in MCHS’s Career Day

on April 15. Also, Kathleen is working on an agreement with Aramark regarding a future Mentoring Program. Once students turn 18, internships through Aramark are available.

D. UC Merced Lab Tours, March 5 [moved to end]

VI. Other

A. PE requirement on MCUSD Board Agenda for Feb 11

Jill reminded everyone of the day and time of the meeting and encouraged everyone for whom this is an important topic to write the board members ahead of the meeting and to attend.

B. Photocopying - paid student - update

Kathleen has not received any student applications. She will try advertising it again. Since many more students applied to be tutors than were needed, Kathleen will contact those applicants to see if any of them might be interested.

C. Graduation caps and gowns

Celeste has indicated that if we want to collect them and give them out for graduations, she will find space on campus to store them. We will need to decide if someone has time to collect and then distribute from year to year.

D. Senior projects

Seniors are required to perform 15 hours of public service on a project of their choice in order to graduate. For most, this is no problem. For some, especially those not yet driving or otherwise without transportation, options are limited. Jill will include the senior project guidelines with the next board packet for members to see the details so that ABC can think of ways to help facilitate. Members brainstormed some options at the meeting and will think of more between now and next month.

IV. A. Dance Party fundraiser

Jill is advertising in all of the usual places. She would like to post on Facebook daily between now and the event, but she needs details on drinks, food, etc in order to do this. Dave brought the prizes donated by Ace; Jill took a picture to use to advertise.

Tara has arranged for Jake Wackerman of 1850 to bring a keg of his beer. He would like to pour and also give a short talk about it. They will charge us \$1.35 per glass. (They figure this out by weighing the keg before and after the event.)

Tara will check back with Kris Casto about what Casto Oaks is willing to provide (Kris has indicated they will provide something, Tara just isn't sure what). Butterfly Creek is offering us a buy one, get one offer. All agreed a few bottles of hard cider from Mariposa Cider would also be a nice addition. Tara is familiar with guidelines on how much to order from her husband's experiences and so will figure this out for us.

We will have water available for free and Ruth will make a non-alcoholic spritzer that people can purchase for \$3.

Buz Arnold has provided a great list of items that the Ag Foods and Processing students are planning to make for the event. Ruth will get it to Jill and Kathleen for advertising. Kathleen can't advertise our event directly on the MCHS Facebook page since it's a +21 event, but she can advertise it indirectly by sharing what the students are doing.

The students' items are savory. In addition, Ruth will make brownies to serve with whipping cream and berries.

Tara will bring a dry erase board so that Ruth can change up the menu as she runs out of dishes and has new items to offer.

Jill, Amy, and Leigh will take money at the door leaving Naoko free to roam and take care of things as needed.

Mike Reynolds will serve wine. Kendra Wilde and Michelle Jones will help with serving wine and/or food. Jill thinks they indicated they wished to help early in the evening. Ruth will work out a system with the servers. She thinks it will be fine.

As indicated on the Dance Party checklist included with the packet, Jill is concerned about getting the gaming license in time. She will see if there's a way to check on it online.

Dave indicated that we have enough dealers. He said with the change from twenty-one to poker and hold em, we will need round tables instead of the tables we have. Jill said when she checks in with Leigh re decorations from ASB (they are providing decorations; Leigh needs to indicate which we want), Jill will ask her to check about borrowing three tables as well.

Ruth thinks we can set up starting at 3 PM on Thursday. Jill will ask Leigh to work on coordinating this.

Jill will check to be sure our DJs are in touch with each other prior to the event.

#### V. D. UC Merced Lab Tours, March 5

Naoko planned it for this week to coincide with UC Merced's Research Week when they open some labs on campus. She has also arranged additional labs. Kathleen will start promoting the application which has students rank their interest level in the various labs. The bus can hold up to 45 students and 3 chaperones. If we hear back from Yosemite Bank soon re its possible sponsorship of this event, we can order lanyards for the students as we discussed at a previous meeting.

#### VII. Open Forum

Jill passed on a message from Principal Celeste Azevedo reminding us all that she has invited us to use the teachers' lounge for our meetings, but asks that we please keep in mind that this is the teachers' space to relax and talk. If we overhear something or engage in a conversation about something, we should keep in mind this is not a public space and we should keep it private.

#### VIII. Set Date, Time, and Location for Next Meeting

Our next meeting will be Friday, March 8, at 11:30 AM.

#### IX. Adjourn

The chair adjourned the meeting at 12:30 AM.

## Mariposa Academic Boosters Club, Inc. Grant Application Guidelines

*The Mission of ABC is to supplement and enrich academic experiences and provide updated educational tools for Mariposa County High School students.*

All MCHS staff and any organizations supporting MCHS students are welcome to request funds from ABC. When requesting funds, please provide the following information in order for ABC to make a funding decision:

Person/Organization requesting funds – Tara Schiff, Mariposa County  
Requestor's job title – Economic Development Specialist  
Contact information – [tschiff@mariposacounty.org](mailto:tschiff@mariposacounty.org)

Title of proposal – **National County Government Month Essay Contest**

Describe the project for which you are requesting funds. Include how the project/program fits with ABC's mission. *Mariposa County, in cooperation with National County Government Month, is coordinating an essay contest relating to local government for all MCHS students. The winner of the contest will receive a new laptop. This project is in line with ABC's mission because it is inspiring education and promoting academics. (We will be working with the history and government teachers to promote the contest.) In addition, the laptop will enable the winning student to succeed, possibly past high school, and use the computer for continued education.*

Does the project influence the social/emotional well-being of students? If so, how? (Not required, but helps ABC determine source of funding.) *This project influences the students' social emotional well-being by promoting a contest that will engage discussion and encourage thought about local government.*

How many students will benefit? For how long? *1 student will benefit from the donation of the laptop and will benefit for the life of the computer. All students who enter will benefit from the experience of entering an essay contest, which will create strong writing skills.*

Amount requested. Please provide supporting documentation – budget and details from where the items would be purchased. *We are requesting \$500. We will purchase the laptop online and have it fully equipped with software.*

Are there other sources of funding for this project? *Not at this time.*

Have you received funds from ABC before? No. If yes, for what, when, and how much?

Is the request time sensitive? If so, when is the funding needed? *Yes. The request is time sensitive, because we would like to distribute flyers as soon as possible and acknowledge ABC as a sponsor of the essay contest. Essay contest entries are due on April 5<sup>th</sup>. The funding is needed prior to the presentation of the award, which will be after April 5<sup>th</sup>, and probably on April 16<sup>th</sup>. Members from ABC are encouraged to attend the presentation of the grand prize.*

Please have Principal Azevedo sign your application. This will signal to us that she has reviewed your application, is supportive, and that there are no alternative funding sources.

Please send your application to:

February 10, 2019

Dear Parent/Guardian:

CSF is scheduled to go on a Roller skating trip at Roll-er Land in Merced, March 13, 2019.  
We will be leaving the school by 8:40 and returning around 2:30. Your students will need to bring \$4.00 for the entry fee.  
Our students are scheduled to be there from 10:00 to 12:00. After which we will be going to Applegate Park to picnic.  
Returning to school after lunch.

It has been the suggestion of several students that we have a sandwich/lunch potluck as we have done in previous  
years. Students will sign up to bring one item to share at lunch. For example a student could bring a bag of chips or sliced  
tomatoes. I will send home reminder notice for the food item your student signed up for the day beforehand.

If you have any questions or concerns please give me a call at 742-0260 ext. 237

**\*The California Constitution mandates that public education be provided to students free of charge unless a charge is specifically authorized by law for a particular program or activity. This constitutional right of free access encompasses all educational activities whether curricular or extracurricular, and regardless of whether credit is awarded for the educational activity.**

The Mariposa County Unified School District is committed to providing a safe school environment where all individuals in education are afforded equal access and opportunities. The District's academic and other educational support programs, services and activities shall be free from discrimination, harassment, intimidation, and bullying of any individual based on the person's actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. Specifically, state law prohibits discrimination on the basis of gender in enrollment, counseling, and the availability of physical education, athletic activities, and sports. Transgender students shall be permitted to participate in gender-segregated school programs and activities (e.g., athletic teams, sports competitions, and field trips) and to use facilities consistent with their gender identity. The District assures that lack of English language skills will not be a barrier to admission or participation in District programs. Complaints of unlawful discrimination, harassment, intimidation, or bullying are investigated through the Uniform Complaint Process. Such complaints must be filed no later than six months after knowledge of the alleged discrimination was first obtained. For a complaint form or additional information, contact the Director of Human Resources & Student Services (Discrimination/Equity and Title IX Coordinator) at (209) 742-0250. The address is: P.O. ## CAREER LUNCH

**Are you interested in a career in agriculture?**

Join us as Andrew Glikin, owner of Raw Roots Farm in Catheys Valley, talks about his experience of being a small local farmer. Raw Roots Farm is a small, 4-acre vegetable and fruit farm located in the Sierra Nevada foothill town of Catheys

Valley. The farm is run by Andrew and his wife, Lauren Glikin, who sustainably manage a local, ecologically focused, naturally-grown, no-till community farm that produces enough food to support members for their CSA, and many more families through farmer's market and house sales. Raw Roots Farm also distributes food to local restaurants throughout Mariposa County.

**Sign up at the Counseling office by  
Wednesday, March 13<sup>th</sup>.  
FREE LUNCH to the  
first 40 students who sign up.**
